

FreedomCare's Essential program is the perfect fit for business owners looking to provide a benefits plan for their employees while satisfying penalties imposed on them and their employees by the IRS.

Program Highlights

- 

The Essential program includes an employer paid Minimum Essential Coverage plan that employees will be auto-enrolled into.
- 

A Minimum Essential Coverage plan that provides the employee with 63 preventative and wellness benefits. See the Benefit Highlights for some examples.
- 

By auto-enrolling employees into an employer sponsored Minimum Essential Coverage plan, an employer will be satisfying their \$2,000 employer mandate as well as satisfying the employee's individual mandate.
- 

In addition to a Minimum Essential Coverage plan, employees will also receive a discount prescription benefit and access to a Telehealth service.
