Program Highlights

- ▶ **Minimum Essential Coverage Plan**
 - Under the FreedomCare Preferred Program, all eligible employees are auto-enrolled into a Minimum Essential Coverage Plan that is paid for by the employer.
 - By auto-enrolling all eligible employees, we are able to guarantee that the employer has complied with the \$2,000 penalty.
 - By contributing 100% of the cost, the employer has also satisfied the employees individual mandate at no cost to the employee.
 - In addition to the preventative and wellness benefits included in their plans, employees will also receive discounts on their prescriptions and access to a leading Telehealth provider.
- ▶ **Minimum Value Plan**
 - Under the FreedomCare Preferred Program, all eligible employees are also offered an affordable Minimum Value Plan.
 - This Minimum Value Plan is guaranteed to meet the minimum value requirements and affordability under the Affordable Care Act and has no participation requirements.
- ▶ **Administration Services**
 - We have made the process of Self-Insuring just as simple as traditional insurance. Employers are walked through the process step by step by their Account Manager.
- ▶ **Self-Directed Insurance Trust**
 - Our Self-Directed Insurance Trust (SDIT) allows business owners the additional opportunity to positively effect their bottom line.
 - The SDIT also provides a contractual liability policy above your Self Insured Retention to limit your liability on both the Minimum Essential Coverage plan and the Minimum Value Plan.
